TAILOR THEISS A CURE-ALL

Combines Both Callings.

office at 508 West Fifty-eighth street. He calls himself "August Theiss, practical physician," What an individuality even bouquets have. | and is a tailor, working at his trade and perou can tell the florist's bonquet from the forming his wonderful cures at the same time. amateur's, and a rustic one from a city one. His workshop is his office, and his needle is his

A man who promises to cure all the ille to

the "discoverer of the causes of dangerous diseases, "

A reporter found the great discoverer in his modest office, seated at his "goose," without coat, without vest and without suspenders. The reporter said he was looking for "Dr." Thei-s, and the man in shirt and trousers re-

plied, "I am he. What can I do for you."
"I am sick," replied the reporter, "and having heard of your wonderful art of healing have come to be cared."

The doctor proceeded at once to business.
"Your symptoms?" he asked. The visitor described the most minute and accurate symptoms of kidney and liver complaint, and the cure-all answered or "You have rheumatism and you are getting The reporter stuck to the liver complaint

theory, but "Dr." Theiss brushed it aside The "doctor" was then questioned in regard the Aiva, and Fred has had one for several to his remedies. He had the only cure on which he decisred to be a humbug. Bacilly

as much as books. He is rich enough to afford to be literary. The Vanderbilt boats would make quite a fleet.

Ex-Senator Grady has turned up again as a resident of the Sixth Senatorist District in East Fourth street, which leads the gossips to say that he has been promised the Tammany nomination for Senator next Fail. I am told that he will not have ex-County Cierk Keenan's support.

Were not the cause of sickness, but were cansed by sickness, according to this savant of the cause of sickness, but were cansed by sickness, according to this savant of the needle. His reinedly was very simple—as simple as Dr. Sangrado's, whose care for all ills, whether in copious doses and blood letting. This modern Sangrado simply punetures with an instrument composed of needles, producing an irritation which causes the wound to fester, and all the bad is let out. All you do then is to rub a little of ''Dr.'' Thelas's great discovery over it and you are as sound as a dollar.

This cure is applied to a cold or yellow fever allike.

alike.

'A Hint to Governments, Judges and Law-yers: a book for everybody :everybody his own physician: core thy neighbor as thyself," is the inscription of the marvellous medical treatise which is signed 'August Theiss, practical which is signed "August Theiss, practical paysician."

The book costs \$1, the "cure for all ills" \$4, and a bottle of the "doctor's" blood regulator \$1.50.

"Dr." Theiss's case may be one for the Board of Health and the County Medical Society to look after, and it will no doubt be attended to before. Society to look after, and it will no doubt be altended to before he can accomplish many, of his "cures."

Matchless thing that soap can do. Any housekeeper will tell you how Joseph Steiner, the popular Secretary of the Steckler Association, will make the faunching cheap it is, but it is so dear to

business activity than any member of the for every purpose of cleanli-Vanderbilt family. Just how he is engaged in ness—Pearline. Nothing saves building railroads, bluffing the State Commission of stoners, buying up Adtrondack forest land and as much work; nothing does are said to regard him as the coming man in better than any soap, any-
